

BrowZine, LibKey Nomad, Unpaywall

BrowZine is a journal enhancement platform that allows students to access thousands of scholarly, academic and professional, evidence-based content.

As an Arden University student, **BrowZine** is free to use and is available as an **App** for use on your mobile phone. You can use the **App** to search for content by subject or by a specific journal searchable by name.

You can keep a **personalised** list of your favourite journals on your online bookshelf.

You can access **BrowZine** by logging into the [Arden University Library Homepage](#) or via the *My Resources* tab on *learn*.

<https://browzine.com/libraries/2220/subjects>

LibKey Nomad is a browser extension which can provide you with full access to thousands of scholarly, peer-reviewed articles.

You can add **LibKey Nomad** to your student account, allowing you to source scholarly content via your computer, laptop or mobile device.

For instance, if you search for sources via *Google Scholar*, **LibKey Nomad** will show resources from the Arden University Library.

It is easy to install and will remain on your computer until you delete it

<https://thirdiron.com/downloadnomad/>

Unpaywall is a browser extension that you can download for free. The extension will allow you to ~~it will give you~~ access up to 50,000 publishers of academic content.

Unpaywall can help you find more open-access resources

<https://unpaywall.org/>

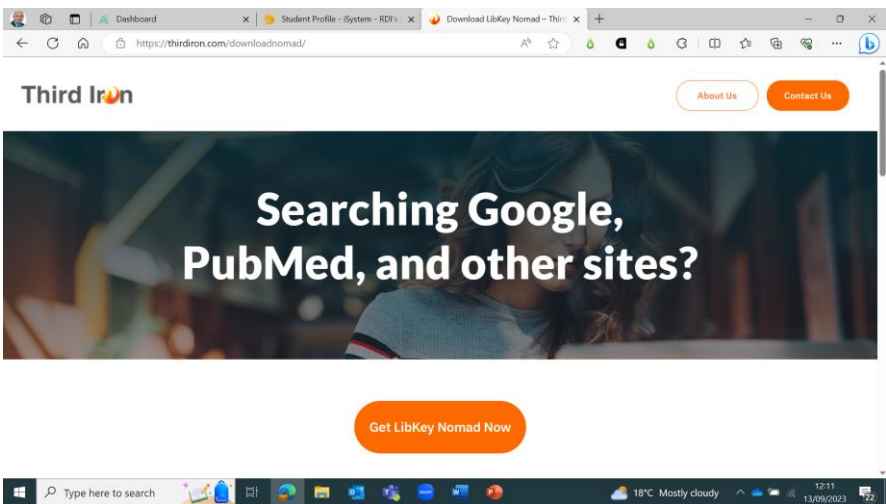

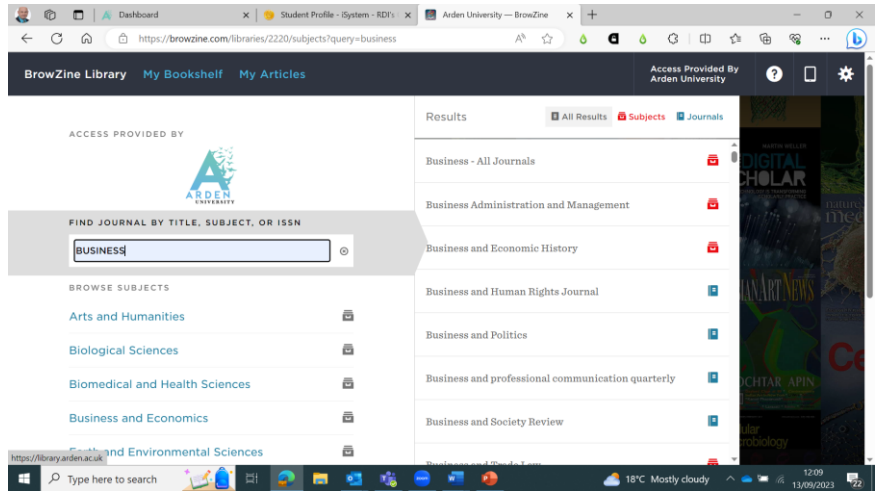

Make sure to log into your Arden University Library through *learn* to access peer-reviewed scholarly content ~~lets~~ from many other databases.
