A new eBook platform

In May this year we launched our brilliant new eBook platform, **Kortext**, with a collection of nearly **13,000** eBooks plus the Kortext Open Resources collection!

While our most popular title is Stella Cottrell's **The Study Skills Handbook**, our users have read **over a million pages** since Kortext was launched - let's see what our students and staff have been searching the platform for recently!

We can't wait to see what the next three years with the new Learning Success Hub will bring!
